Thanks Mick...just spoke with Terri about this and let her know that Trish received a call from Mike today  
and she's working on an appropriate venue for AP to film.

We have approval for B roll so if that is all he wants it's

fine.

Terri, Trish,

I'd like to head up to Dimock and get some footage of the EPA testing a resident's water well. I know you are not done the testing yet but probably are more than halfway through, so time is obviously getting short. Please let me know availability.

Thanks,  
Mike
